### Letter of recommendation

We acknowledge the participation of our employees in the training provided by Intlabs / Academy of Virtualization - **"Public cloud computing - Amazon Web Services (extended course)"** on **25-27.10.2014** in Krakow.

The training was conducted in the form of theoretical lectures combined with practical workshops using the Amazon Web Services environment. We would like to emphasize high level of knowledge and wide experience of the trainer, and a very professional preparation of the training and materials.

We recommend this company as a professional organizer of Amazon Web Services specialized trainings.
